Greek Lessons for Adults

Have you learnt Classical Greek at school but would like to learn the language that modern Greeks use? Or are you going to Greece for holidays? Or maybe your partner is Greek and you would like to be able to connect better with your in-laws? Then this series of Greek classes can help you better understand Greek!

For whom

Classes are open for all adults who have an interest in the Greek language. Some instructions will be given in Dutch, especially at the beginning, so a good command of Dutch is important.

Previous knowledge

No previous knowledge of Greek is necessary, although it does help, as always!

When

The series starts in September 2026 and lasts for 20 lessons of 1 hour. Precise schedule will be communicated before the summer.

Lessons are organized on two Saturdays per month for 1 hour. After the class, students can stay at the Greek café to practice the Greek language with Greek parents that wait for their children.

Cost

295 euros for 20 lessons and 10 “Greek Café” meetings.

Where

Lessons take place in Elst, at **Pr. Irenestraat 49, 6661 EA Elst**.

A few words from your instructor Emmanouela Massali:

“My name is Emmanouela Massali, and I was born and raised in the beautiful island of Crete where I studied Horticulture at the University of Crete. About 18 years ago, I moved to the Netherlands and continued my studies at University of Wageningen. I had a relationship then with my now Dutch husband. For the last 4 years, I have been a high school teacher at a Dutch school. At the same time, I am giving lessons to people who want to learn Greek. I am excited to teach you my language and tell you a lot about our culture, customs and other things. I will be happy to see you at our classes and to talk to you at our Greek cafe!”
